Term of Use

By allowing location sharing during the use of this website, users acknowledge and accept all terms of use outlined within this document.

Smarttarget Marketing is dedicated to user privacy and acknowledges that for any reason specified by the user, Smarttarget Marketing will remove any/all collected user information, including but not limited to: email, physical address, name, phone number, etc.

Privacy

General Privacy

Smarttarget Marketing is dedicated to user privacy. Any information collected that can be used to identify individual customers is collected only with explicit user permission. This document discloses types of information collected, how information is collected, and discloses the end-use of collected information. In no instance will Smarttarget Marketing collect identifiable information without consent from the user, via opt-in or allowing user location data. Smarttarget Marketing will not sell or share user information with any individual outside of the Smarttarget Marketing family.

The types of information collected includes but is not limited to: your internet service provider address (IP address), your current address, phone number, email address, your browser type, pages visited and time of day you access the website. Information collected with user consent, via supplied information

from user, or dynamically collected information (via IP address) will only be stored with user permission. Opting in or allowing location data to be shared will be deemed as accepting our privacy policy and terms outlined within this document.

Should a user wish to have personal information removed from the Smarttarget Marketing database and associated Smarttarget Marketing companies, the user may contact Smarttarget Marketing at the following information below:

Smarttarget Marketing:

Phone: 305-667-6665

Email: smarttargetlist.com

6800 SW 40th St #304

Miami, FL 33155

Requested removal of personal information may take up to 72 hours to completely process the user request. Users may request at any point and time to be removed from the Smarttarget Marketing system and/or have specific personal information removed from Smarttarget Marketing's possession. Smarttarget Marketing will process user requests as quickly as possible.

Identifiable User Information Collected

Sensitive user information will be stored on our secure web server, including: telephone number, written forms/submitted forms, mail-in information, etc.

Smarttarget Marketing will not provide user information collected to any outside entities, marketers, or other direct marketing services/vendors in effort to protect the safety of our users.

Website forms or requests for information may require the user to submit their first/last name, phone number, fax number, street address, e-mail address, or other information that can be used to identify the user.

E-mail addresses will be used to contact the specific user/users request and email promotional offers and information about Smarttarget Marketing or other Smarttarget Marketing affiliated companies. All emails affiliated with promotional offers will include an opt-out link within the email. Smarttarget Marketing will automate the opt-out process through Smarttarget Marketing's preferred email vendor. Email opt-out is NOT an explicit request for Smarttarget Marketing to remove all associated/collected user data.

Should a user wish to have all collected information removed from the Smarttarget Marketing system, the user must contact the following Smarttarget Marketing representative listed below:

Requested removal of personal information may take up to 72 hours to completely process the user request.

Collection Process Documentation

Sensitive user information will be stored on our secure web server, including: telephone number, written forms/submitted forms, mail-in information, etc.

User information is collected through a variety of means, including but not limited to: user forms filled out, email/newsletter opt-in, geo-location, email, etc. Information is exclusively collected by user permission only. Smarttarget Marketing will not collect personal information without user consent.

Geo-location information collected upon user consent will leverage the users IP address to identify the current user location for direct mail purposes. At any time, the user can request to update the information on file with Smarttarget Marketing or have the information removed from the Smarttarget Marketing

system. Requested removal of personal information may take up to 72 hours to completely process the user request.

E-mail addresses will be collected on an opt-in basis only. Users who fill out any form on a Smarttarget Marketing website(s) will be considered opt-in, whether it be a contact form, newsletter signup, request more information form, etc. All emails associated with marketing attempts will include an opt-out link, where the user can remove their email address associated with receiving marketing emails. Opting-out will not remove personal information collected on the user and will only remove the specific email address associated with the opt-out request. Other emails that the user has supplied to Smarttarget Marketing will remain in the Smarttarget Marketing database(s) until user explicitly requests said email address removal.

End Use Disclosure

Smarttarget Marketing will leverage user provided information for Smarttarget Marketing and Smarttarget Marketing affiliate use only. User information may be used to analyze site performance, contact the user via email, direct mail or phone. User information will not be provided to any resource outside of the Smarttarget Marketing family. Smarttarget Marketing does not sell or supply user information for any marketing efforts unrelated to Smarttarget Marketing or Smarttarget Marketing affiliates. Users may request to be removed from contact. In the event that a user requests removal from the Smarttarget Marketing system, Smarttarget Marketing will comply with the users request within 72 hours of the request submittal.

Should a user wish to have all collected information removed from the Smarttarget Marketing system, the user must contact the following Smarttarget Marketing representative listed below:
